

« Basile fait les courses » - Énoncé PS

Youpi, c'est la fête des lapins !

Basile a invité toute sa famille à déjeuner.

Il attrape son porte-monnaie et se hâte pour faire ses courses au marché.

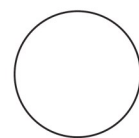

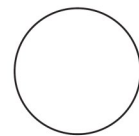

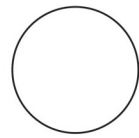

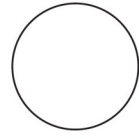

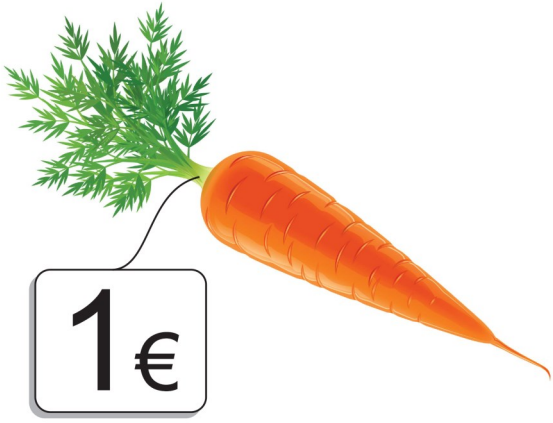

Mais il ne sait pas quoi acheter : carotte(s) ou salade ?

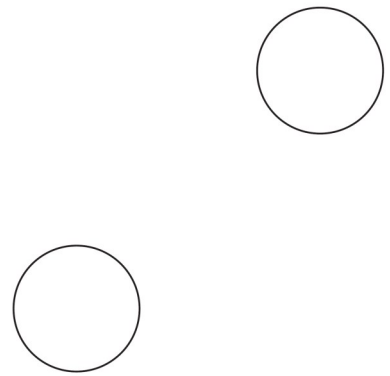

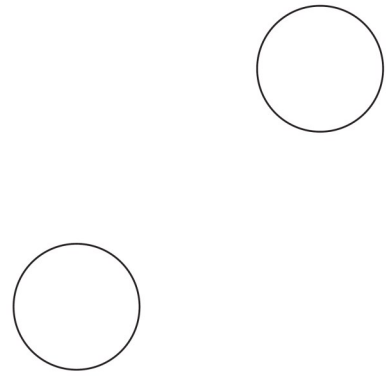

Il a 3 euros dans son porte monnaie.

Dis-lui tout ce qu'il peut acheter avec ces 3 euros.

Il y a 2 menus possibles.
